

Evening classes and semi-intensive five day course will be run during this period as follows..

Dayskipper & Yachtmaster Theory Courses as evening class from 7pm -9.30pm; the next evening classes begin on **2nd or 3rd September**; subject to numbers and choice of evening.

Fee for this is £245 + RYA pack and TA (£44).

Dayskipper & Yachtmaster Theory Course – “five by one day” runs one day, or more, for five weeks- days to suit.

The next course is scheduled to run on **28th,29th July, 6th August, +2 days tba**

Fee for this is £265 + RYA pack and TA (£45).

These can also be “5 day intensives” for two or more people to suit their needs.

NOTE:- As these are small groups I am happy to include previous clients who wish to refresh their knowledge on these courses for a fee of £175; no certificates; charts included.

Diesel Course.

This can be day or evening – subject to 2 minimum... I have a “wait” list. Completing this course over two evenings has proved successful and can be arranged over 2 evenings.... January 22nd and 29th at 7pm.

NOTE: This is a course for complete beginners, and an extra topic of “electrical troubleshooting” is included in the above sessions.

Fee is £85, inc RYA booklet and my own Fault Finding & Electrical notes.

qualify now for next season!

We will be running Dayskipper and Yachtmaster **practical courses** in association with North Wales Power & Sail in early 2015. An early booking is advised to secure a place on this trip.

Fee of approximately £450.

If any of the above is of interest, please contact me on **07790358724**

Yours Aye,
Graham Wood
